

ANNOUNCEMENT TO THE COPENHAGEN STOCK EXCHANGE

19 May 2006

IC Companys A/S – Grant of warrants

At its meeting held on 19 May 2006, after the release of the Q3 report, the Board of Directors resolved to grant 65,000 warrants to seven executives who have taken up their positions since the last grant of warrants in April 2005. The warrants will be granted under the authorisation in article 6A of IC Companys' articles of association. The warrants granted entitle the holders to subscribe up to 65,000 shares by up to one third in the autumn of 2007, 2008 and 2009 respectively, following the release of the annual report. The exercise price will be determined as set out in the company's articles of association as the average market price during the last five business days prior to the Board's decision, however, not less than the market price "all trades" on 19 May 2006. The exercise price will be increased by 5% per year as from 19 May 2006. Unexercised warrants in respect of one year can be transferred to the subsequent year during the term of the plan.

Following the grant, DKK 700,000 nominal value will remain of the Board's authorisation to issue warrants.

The fair value of the warrant plan has been determined at DKK 3.6 million. The fair value has been determined using the Black & Scholes model, assuming a future volatility rate of 30% p.a., an expected payout ratio of 0.85% and a risk-free interest rate of 3.7%.

The fair value of the plan will be recognised in the income statement over the term of the plan.
