

ANNOUNCEMENT TO THE COPENHAGEN STOCK EXCHANGE

30 June 2006

IC Companys A/S has bought its head office at Raffinaderivej

IC Companys has decided to exercise an option to buy the Company's head office at Raffinaderivej in Copenhagen. The premises were previously leased. The property comprises 22,000 square metres of floor space consisting of 7,000 square metres of office space and a distribution centre of 15,000 square metres. The land totals 58,000 square metres.

By exercising the option, IC Companys increases its flexibility by having full control of the property and, thus, the option to possibly sell the property in future. The purchase price is DKK 117 million as provided for in the lease. The transaction will increase the Group's balance sheet by adding an asset of DKK 117 million and a corresponding liability in the form of non-current debt.

The transaction does not change IC Companys' forecast of revenue, operating profit and cash flows for the financial year ending 30 June 2006.
